

# Redefining Leadership

# Hello!

**My name is Alicia Allen**

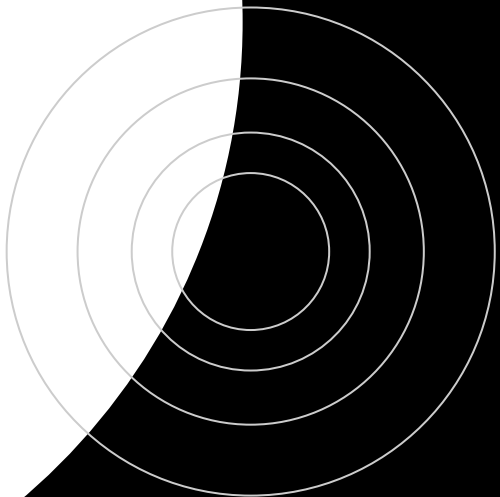

I am here because I love Jesus, His people, and what they do with their influence.

# Who are you in your role ?

Making the most of your leadership  
potential starts with understanding  
who you are and how you lead.

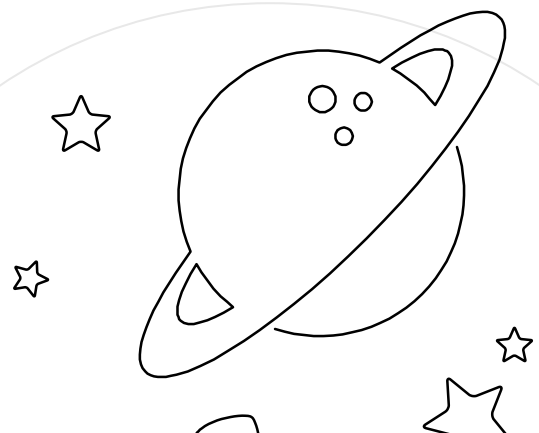

“

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."-**John Quincy Adams**

# Can I be honest?

- Inconsistent
- Controlling
- Secretive
- Complaisant
- **Healthy**
- **Empowering**

# I know who I am!

Lead yourself, lead others, lead leaders

2

# Now what?

Learn to expand your vision, maximize your available resources, and use your influence to broaden your reach.

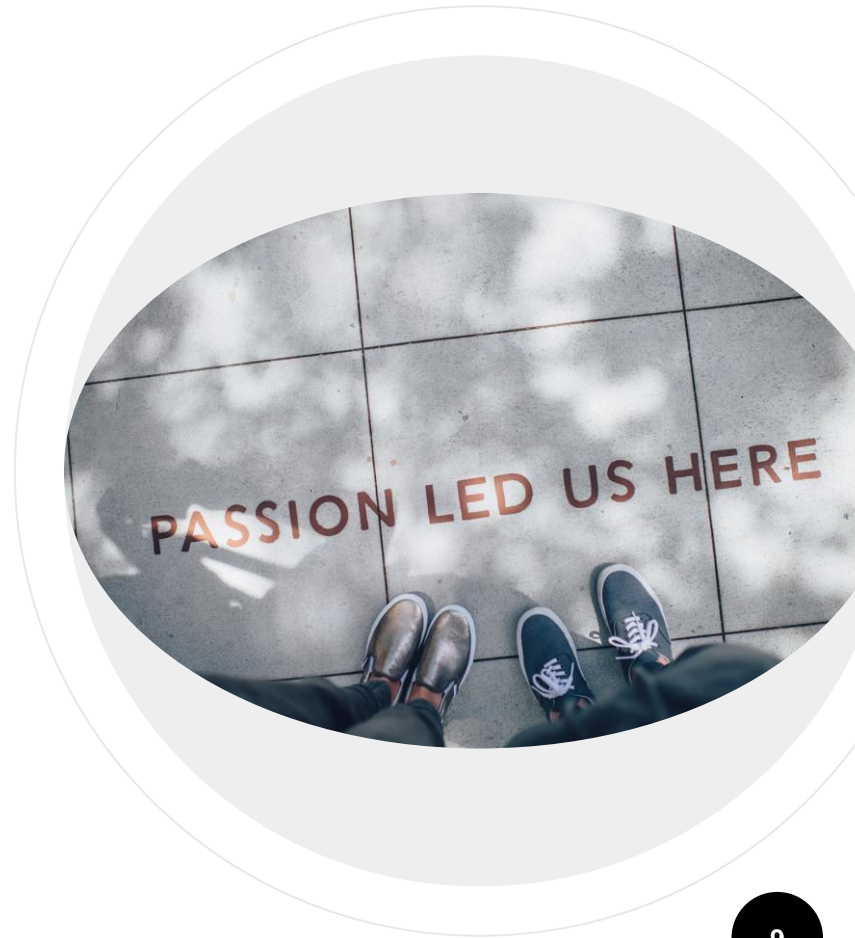

“

“You serve your people by leading them to excellence. That’s leadership.”-**Horst Schulze**

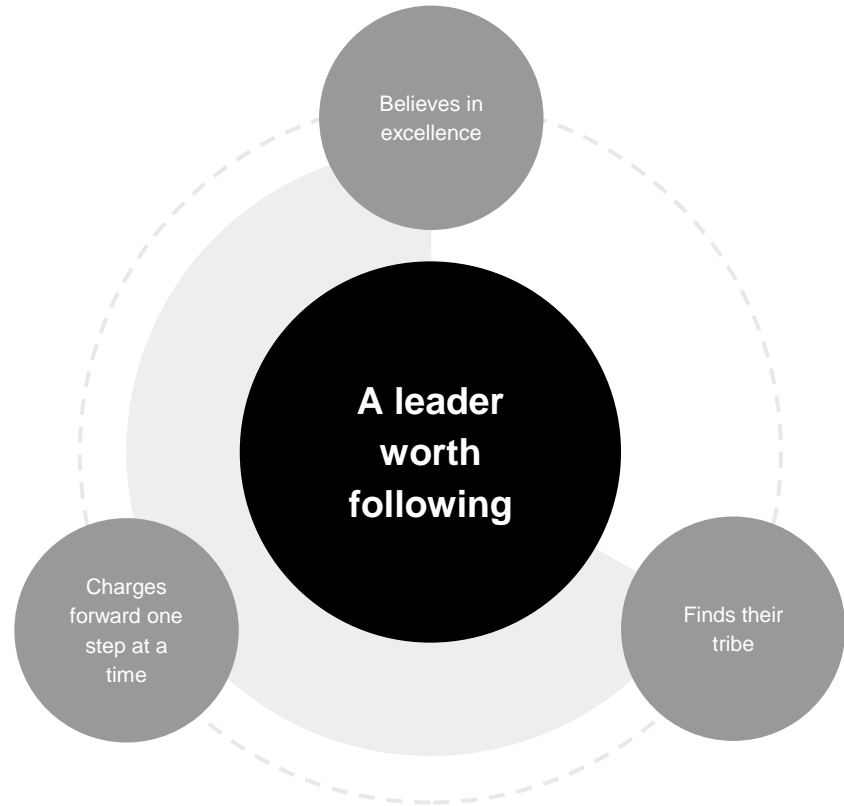

# My next best step...

Passion only matters if it leads to an innovation that delivers impact. However, without passion it's hard to do something meaningful.

# Small simple steps for a great impact

**I am a leader worth following**

# Thanks!
