Always use the NIV translation.

"For I was hungry and you gave me something to eat..." – Matthew 25:35

"For nothing is impossible with God." – Luke 1:37

"The generous will themselves be blessed, for they share their food with the poor." – Proverbs 22:9

PHOTO USE

Photos should be chosen strategically to tell FMSC's story and mission. They should be chosen with care to visually communicate to the volunteer or donor who FMSC is and the hope that FMSC food provides. These include child photos, before & after photos, living condition photos and volunteer photos.

TIP

Use our compelling photos from [Flickr.com/fmsc](https://www.flickr.com/photos/fmsc/)

PHOTO LOCATION

Designate the country that the photo is from with the pin icon when possible.

CHILD PHOTOS

Hope should always shine through these photos. Avoid using photos of children who are crying, or malnourished unless specified or in a before & after story. Photos of children holding FMSC food or eating FMSC food should be used as much as possible. When using multiple child photos, use a variety of races and genders. Designate country with pin marker when possible.
